

Survey for Parents of In-Store Students 2009/2010

Dear Parent;

Thank you for allowing Schmitt Music to be part of your child's music education. Our passion is to help them pursue their musical dreams and to create Magical Musical Moments with every visit to our store.

As we strive for musical excellence in all areas of our store, we appreciate any feedback you have regarding your child's lesson and your overall experience during your weekly visits to Schmitt Music. Information gathered will be shared with the Store Manager and with Schmitt Music's Education Department. Because we are focused on satisfying our audience (you), careful consideration will be given to your responses. Thank you for your time.
